Hi Sara,
I've my hours for 2021. I originally kept the notes about my hours only for me, so the notes are pretty vague. Most of what I did in 2021 was work to create reports that identify data problems so they could be cleaned up since crime analysis relies on accurate data.
Please let me know if Human Resources or PERS has questions and I can explain further.
Thanks,
Lorie

I found 22-01 so I don't need that one…sorry for the confusion. I think the rest were all processed prior to my arrival here at PD. Thanks again!

Hi Sara,
I believe I do have them. I didn't used to include them because the department didn't require them. I can send you the old ones tonight.
Question: will these be sent to PERS? If so, I should update some of the line items to make clear what they mean. If not, I can send you the list as is.

Thank you Lorie! I'm missing copies of a few invoices detail sheets and am wondering if you could forward them to me? We paid them but the department doesn't have the detail to go with them and it may be easier to get from you if you have them available? If not, no worries, I'll keep digging around, but I've listed the ones needed below. Please let me know if you're able to provide them without too much trouble, I appreciate it!

Lorie,

Attached is the CalPERS document they (PERS) requested you fill out about the nature of your services to the PD. I have also attached the document we filled out justifying the consultant vs. employee status. Once you complete your document, please send it back to me and cc Sara Peet. We will then forward both documents to HR for final

review.  If you have any questions, please let me know.  I will be out of town Sunday through Tuesday next week, so if something comes up during that time, please contact Sara and/or Dan.

Thank you,
Terry
